 - d. Leverage – enable student to leverage the knowledge of their peers.
 2. Evidence of what has been taught and excited to see the progress of his classroom.
 - ii. Looking to create schedule to meet with every teacher for 30 minutes every other week. Assist with lesson planning with teachers. Feedback and plan for the next portion. Finding out where the teachers need the most support.
 - iii. Jesse feedback – positive – Mat is able to seamlessly come into classrooms and create a positive environment.
 1. Linda Hanson came and visited today from State, positive experience. Comment that the school is very impressive.
 - iv. Board excited for this opportunity at the campuses.
 - v. Board asked Dena her thoughts on Mat’s role at the school.
 1. Think it will be great. Setting up coaching cycles and continuous improvement.
- f. Finance Committee Update
 - i. Jaren asked if the exec leadership meeting could be combined. Rod asked if they were all present, it would be considered a board meeting. Jaren discussed bringing finance committee in electronically. Jaren will check in with Nate and review the number of board members present at the meeting, as well as meeting times.

g. Budget Report

- i. Derek reported on the current dashboard at both campuses. Explained different line items and percentages.
- ii. Discussed that WPU was increase. Not aware if the funding that moves with student was passed.
- iii. Discussed lunchroom review – money earmarked every year for lunchroom. Working with state on review – state has brought up programs like the breakfast program for the school to use their money on. Online payment for lunch is completed – on compass.
- iv. Board would like Red Apple’s opinion on breakfast program.
- v. State was very complimentary of Regan and the job she does at the school.

VII. Discussion Items

a. Accreditations Results

- i. Mat reported on the accreditation visit. 2 corrections needed. Same person did it again and commented on the improvement of the school.
- ii. Mat credited the accreditation team and success.
- iii. Summary – school has a strong board and administration. Stability and consistency was a strength. Crew structure was amazing – commented on morning crew. Adults are practicing the same model as students. Liked practice of looping. Improvement – collect lots of data – need to use data – Mat commented that this will be great part of his new role. Paraprofessionals haven’t been trained in using data. Support interventions in place – aides need more training on using data.
- iv. Board thanked the hard work of the school.
- v. Five years until the next accreditation. Fill out in two years – improvement priorities.
