3108 EQUIVALENCY AMONG SCHOOLS IN TEACHERS, ADMINISTRATORS AND AUXILIARY PERSONNEL

Purpose

Entheos Academy values respect and excellence. Those values are best supported by a consistent and proper allocation of funding year over year.

Policy

- I. Entheos distributes funding and staffing based on the school's projected beginning of year student enrollment. Unpredictable or unforeseen changes in student enrollment or personnel assignments which occur after the beginning of a school year are not included as a factor in determining comparability of services.
