EXCELLENCE • SERVICE • LEADERSHIP

## 6203 STATEWIDE ASSESSMENTS

### **Purpose**

This policy establishes guidelines and procedures for administering student assessments.

### **Policy**

- I. Entheos Academy will use information from student assessments in part to measure and evaluate the effectiveness of its educational programs.
- II. Assessment confidentiality shall be strictly maintained at all times.
  - A. All students with disabilities shall participate in student assessments..
- III. Training
  - A. The Executive Director or designee will attend training presented by the State Board of Education.
  - B. The Executive Director or designee will annually train all staff that administers or participates in student assessments regarding ethics and confidentiality.
  - C. Testing protocol and instructions will be available for those administering and/or participating in student assessment.
  - D. Violations of ethical standards for student assessment are prohibited, including but not limited to directing, preparing, or teaching specific items directly from the assessments.
  - E. Employees shall follow assessment procedures and any instructions from the publisher's administration manual or the State Board of Education with fidelity.
  - F. In compliance with Board Rule R277-404-7, a parent or guardian may exempt a child from a state-required assessment.
