EXCELLENCE • SERVICE • LEADERSHIP

## FEE and FEE WAIVER POLICY

It has been determined and voted upon by the Entheos Academy Charter School Board of Directors that Entheos Academy will not charge fees for students in grades six through eight for the 2019/2020 SY. There are no fees for activities during the school day. A nominal fee may be charged by USU Extension for participation in the 4-H After School Program. Fee waivers are available for those who cannot afford to pay to participate.

The Fees and Fee Schedule (if applicable) will be determined and voted upon annually by the Entheos Board of Directors and a notice of fees (if applicable) will be provided to the Guardians of all students prior to registration and the payment of fees.

It has also been determined that while Entheos strongly encourages the payment of said fees as a means to provide an overall enhanced and enriched educational experience, all fees (if applicable) will be waived for any family that requests it. No application process will be required as all written requests will be honored.

All students will receive the same educational opportunities without regard to fee payment. No records will be kept regarding the payment or non-payment of fees, except for the purposes of accounting and state reporting, and no faculty or any other persons will be informed of a student's fee waiver status. Only staff participating in the

collecting of said fees will have knowledge of a student's fee waiver status. In addition, no student will be denied participation in any activity sponsored by Entheos Academy due to the non-payment of fees.

No fees will ever be charged for elementary grade students (kindergarten through grade five).
