

HEAD INJURY & CONCUSSION POLICY

PURPOSE

This policy ensures head injuries sustained while in the care of Entheos Academy are assessed and treated appropriately.

DEFINITIONS

Physical Activity: Any fitness education class, sports practice or games, and/or physical activity at recess.

POLICY

Entheos Academy shall designate the following qualifications and notifications as standard protocol for addressing potential head injuries:

1. All Physical Education teachers will be qualified to appropriately respond to sports and head injuries in accordance with state law.
2. As part of student registration, parent/guardian(s) must acknowledge Entheos Academy's head injury policy if their student, participates in any physical activity during the school day.
 - a. Entheos Academy will include an annual notice regarding the school's head injury policy prior to the start of each school year.
3. Entheos Academy recognizes that the symptoms of a traumatic head injury includes, but are not limited to, the following:
 - a. Transient confusion, disorientation, or impaired consciousness;
 - b. Dysfunction of memory;
 - c. Loss of consciousness; and
 - d. Signs of other neurological or neuropsychological dysfunction, including: seizures, lethargy, fatigue, vomiting, headache, or dizziness, etc.
4. In the event that a student is suspected of sustaining a head injury, the student shall:
 - a. Be directly removed from the physical activity;
 - b. Evaluated according to state law; and
 - c. Will not be allowed to resume the sport or recreation activity on the same day the injury occurred.
 - d. Parent(s) or guardian of the student will be notified by email or phone of the incident on the same day.
5. Entheos Academy will follow directions provided by a medical professional through the parents, regarding the participation of the student in sports or physical activity at school after a head injury has occurred.
