## Mary Norton 115th Birth Anniversary

Mary Norton was a children's author from England who is famous for her series of books about the Borrowers, a race of little people only 6" tall who secretly share houses with humans and "borrow" what they need from them. She is also known for *Bedknob and Broomstick*, which was made into a movie in 1971. She was born on December 10, 1903.
